

Mocha Clubs donation

Yesterday a delegation from Mocha Clubs, led by its President Constance Hui, was received at the Macau Holy House of Mercy by this institution's president António José de Freitas, Secretary José Joaquim das Neves, Member Bruno Nunes, Chairman of the Supervising Board José Ricardo das Neves and Secretary General, Gisela Nunes. This visit was motivated by the desire of the Mocha Clubs in making a donation of one hundred thousand patacas and thus contributing to the charitable works of the Brotherhood, as in previous years.

The president thanked Mocha Clubs for this visit, a generous gesture showing the sense of social responsibility of the company in contributing actively to the community and to those most in need. Both sides have expressed the intention of maintaining close cooperation for the development of initiatives to assist the needy ones.
