## PARENT-CHILD JOINT ACTIVITY EVENTS AT THE CRÈCHE

The Holy House of Mercy Crèche held three sessions of parent-child joint activities with 50 families attending on 27<sup>th</sup> January and on 3<sup>rd</sup> and 10<sup>th</sup> of February.

Activities were enthusiastic, joyful and dynamic, having provided both parents and children a very enjoyable occasion at the Crèche.

These joint-activity events at the Crèche are envisaged to allow parents of the children enrolled a better understanding of the staff work performed at the premises and also to contribute to improve the school-family link while targeting the child's best development.
