

Toddlers perform on Children's Day

A group of two and three-year olds from SCMM's Crèche performed in a festival to celebrate World Children's Day organized by the Social Affairs Institute (IAS) last May 26th at the Macau Forum.

The thirteen toddlers danced happily at the tune of the Sound of Music's "Do-Re-Mi" song coached by their teachers and assistants, as parents and family proudly looked on.

Being the first to perform, these little ones from the Crèche's class "D" fully enjoyed the party until the end, having been presented with gifts by the IAS.
